To Whom it May Concern

31 October 2014

Dear Driver

There have been numerous complaints from residents about drivers apparently from outside the village parking on our local roads, and blocking their parking and access. Whilst the roads are free for anyone with road tax to park where they like, it is selfish, particularly when it blocks the pavement or a driveway.

The long term resolution would be to extend the resident's Parking Scheme, which would bar any visitor to the village parking longer than three hours, and would be a serious disadvantage to drivers such as yourself.

Can I therefore ask you in future to park responsibly and with regard to the needs of local residents.

A handwritten signature in blue ink, appearing to read 'MIKE TAYLOR', with a stylized flourish above it.

Mike Taylor
Chairman, BGPC
T&MBC Ward Member.
