

village!

Hi Richard

1.

Just to confirm that I have spoken with Pauline from KCC Youth Services again today to try and push this Drop-in project forward.

It is my understanding that she is now going to speak to Loic Florey at KCC, to work out where the Drop-in gets its funding (and how the "volunteers" are remunerated!), with a view to arranging to take over the management of the funds and hopefully to introduce more.

At the same time, she has to approach you to ask you to arrange for the current tenants of the Drop-in to be notified of the cancelling of their occupancy arrangement.

I believe that you would then be in a position to offer KCC Youth Services the opportunity to run a youth project from the village hall.

You should now expect an email from Pauline.

I also mentioned to Pauline that the T&M Volunteers are setting up in BG, which she was unaware of.

I will make another attempt to contact them tomorrow to give them Pauline's contact details and hopefully their first project, of finding suitable people to work with her and the kids in the village!
