

Tonbridge & Malling Borough Council

Dear Resident,

As you will be aware, we had to suspend collections of green-lidded bins and green boxes for the last couple of weeks. We apologise for the inconvenience caused by this short-term suspension but we are pleased to say that they will start up again from Monday 12 July.

Please visit <https://www.tmbc.gov.uk/waste-service-updates> for the latest information about collections and to check which bin is due next for your property.

Kind Regards,

TMBC Recycling team
